

REPORT OF BREAST CANCER AWARENESS AND SCREENING EXERCISE BY
THE GRASAG-UMaT GENDER COMMISSION

GRASAG-UMaT recognises the dedicated effort by the National Gender Commission to create immense awareness of breast cancer. In line with this, the Gender Commission of GRASAG-UMaT led by Emefa Priscilla Amenyah Kove in collaboration with Hope for All Foundation and the University of Mines and Technology embarked on a breast cancer screening and awareness exercise for students and staff of the university. This took place on the 24th of October, 2019 in commemoration of October as Breast Cancer Awareness Month. The programme recorded a total of 107 attendees, who underwent breast and cervical cancer screening exercise.
