

GRASAG UCC Report

The Graduate Students Association of Ghana, University Cape Coast (GRASAG UCC) during the year under review undertook series of activities in anticipation to make the Association more relevant to our students.

E-Resource Learning Seminar (Sandwich)

In early July 2019 GRASAG-U.C.C and the School of Graduate Studies UCC organised a seminar for Graduate Students where they were educated on how to use the University's Plagiarism Checker (Turnitin), Mendeley (Referencing Software), and also educated them on the best procedures to get access to research documents online. A great number of students were present and it was a successful seminar.

Educational Fun and Socialisation Trip (Sandwich) –

On 25th July 2019, a Socialisation Trip was organised for members of the Association to free themselves from classroom stress and also to know the Tourist sites in Cape Coast. The Association visited Kakum National Park, Elimna Castle and Hans Cottage Botel.

There were other programmes such as Graduate Dinner for sandwich students, Postgraduate Research Seminar and a mega Health Walk for regular students among others.
